Dear friend,

Thank you for your interest in the Principles in Child & Youth Ministry course (PCYM), to be held in Romania, March 12st - July 2nd 2012, followed by an optional outreach.

The course will be run in English & Romanian and will include a broad mixture of Child and Youth workers from Central & Eastern Europe, foreigners working within this area and others seeking training within this particular context.

This will be the first PCYM in Romania since 2003 and we believe it will be an exciting, re-pioneering experience.

The course will be run in Constanta on the Black Sea. The lecture phase will be blended with exciting outreach weeks throughout the course, giving each student a good variety of practical experience as well as time to digest the teachings.

The PCYM focuses on training in different forms of child & youth ministry with subjects such as stages of child development, program & strategy development, working with children at risk, creative forms of evangelism among children & youth, leading children & teens into prayer & worship, family in ministry, orphan and street children's ministry and much more!

The goal of the course is to help each participant find his or her role in the area of child & youth ministry, and to equip each one to effectively reach and disciple the next generation of young people.

There will be a great deal of emphasis placed on practical application of the teaching, through small groups, personal counseling, prayer, and ministry opportunities. A special emphasis of this PCYM school will be on working with "Children in Need".

Enclosed is an information sheet with costs and other details, along with an application form. If you feel you are to apply to attend the PCYM, please fill in all the forms and mail or E-mail them as soon as possible. Please use extra paper as needed. Please give the leader's reference to a Christian leader, with whom you work or have worked with most recently, and the other reference to someone who knows you well.

We hope you will prayerfully consider this training possibility.
May God bless you and give you wisdom to know His ways.

We hope to see you in Romania in 2012!!!

Because He cares for today's children and youth,

The PCYM staff
